Objective –

“The difference between ordinary and the extraordinary is practice.”

Aptitude quiz was organised by IChE Chandigarh Student Chapter at Dr. SSBUI CET on 31st July, 2018 to better acquaint students with the modern competitive exams. The main objective was to ensure that the students were made aware of their shortcomings so that they can better prepare themselves for the future tests. Also with companies coming for placement and training drive, this test proved to be a good practise session.

Details of the event –

The quiz began at 5 PM at lecture hall 5 where a total of 60 students from various branches participated enthusiastically. The aptitude quiz comprised of 50 questions which tested the verbal, non-verbal and analytical skills of the students. The quiz was modelled on modern competitive exams and required the students to not only utilize their technical skills but also hone their time management skills as the test was to be completed within 60 minutes.

Results –

The result of the quiz was declared on the same day. The winners were awarded with a certificate of appreciation.

The results of the same are as follows:

1. Rakshit Jain, 3rd year (Chemical)
2. Nirwan Goel, 4th year (Chemical + MBA)
3. Navroop Kaur, 4th year (Food Technology)

Feedback –

The quiz proved to be a great learning experience for the students and enabled them to gauge their strengths and weaknesses, leaving them in a better position to tackle future competitive exams.
