Objective:

The objective of conducting this webinar was to bridge the gap between the students and their understanding of chemical engineering and its related domains. On the occasion of Rajiv Gandhi Akshay Urja Diwas (20th August, 2020) esteemed Prof. S.K Sharma, Professor Emeritus, Energy Research Centre, Panjab University was invited as the speaker of the session.

Event Details

The webinar was on the topic “ENERGY AND ENVIRONMENT A NEW PARADIGM”. Speaker of event was Prof. S.K Sharma, Professor Emeritus, Energy Research Centre, Panjab University. It was conducted on August 20th, 2020 from 5:00 PM onwards. The video conferencing platform used was Zoom.

Feedback:

The webinar was truly edifying for students belonging to the chemical engineering and its related domains. The students stated that they had a better understanding about the subject and the new upcoming scope & challenges in arena of chemical engineering. Everyone who attended actively participated, enjoyed and found the sessions to be very informative & enlightening.
